Philip G. Kazlow, MD, who joined the Hospital in 1986, is a clinical professor of pediatrics at Columbia University College of Physicians and Surgeons. Dr. Kazlow's clinical interests include irritable bowel syndrome, celiac disease, swallowing disorders, and pancreatic disease. Dr. Kazlow attended Mount Sinai School of Medicine where he received his medical degree in 1980 followed by an internship and residency (chief resident) there in pediatrics. He also pursued a fellowship in the Division of Gastroenterology and Nutrition at Mount Sinai and was named the Cystic Fibrosis Foundation Clinical Fellow.

He is a member of Morgan Stanley Children's Hospital's Pediatric Institutional Review Board Executive Steering Committee, Operating Room Committee, and the Celiac Disease Center.
