Angela Samuels, RD, CNSC

Pediatric Dietician

(212) 305-5903

(212) 342-4779 (fax)

Angela Samuels, RD, CNSC, is a pediatric dietician and Certified Nutrition Support Clinician for the Pediatric Bone Marrow Transplant and Oncology Service at NewYork-Presbyterian/Morgan Stanley Children's Hospital. With certification in Pediatric and Adolescent Weight Management, Ms. Samuels also provides outpatient nutrition counseling for children with obesity, failure to thrive syndrome, multiple food allergies, and various gastrointestinal disorders.

Ms. Samuels's clinical specialties focus on nutrition support, pediatric obesity, nutritional needs in epidermolysis bullosa, and the ketogenic diet.

In 2005, Ms. Samuels completed a dietetic internship program in the School of Health Related Professions at the University of Medicine and Dentistry of New Jersey. Prior to joining Morgan Stanley Children's Hospital in 2006, she was a clinical pediatric dietician at The Molly Center for Children with Diabetes and Endocrine Disorders and The Center for Pediatric Kidney Diseases and Ambulatory Services at Hackensack University Medical Center.
