

## What to bring: a checklist for your child's orthopaedic appointment

### Appointment Information:

- Physician's Name
- Department (Orthopaedic Surgery)
- Building Name/Location
  
- Name, address and telephone number of your referring physician
- Name, address and telephone number of your primary care physician (family doctor) if different from above
- Orthopedic Health History form
- List of medications your child is taking
- Gym shorts or another pair of shorts for the exam
- Medical records, x-rays, MRI's or other lab results from other facilities
- Social Security number of patient and parent with the insurance coverage
- Insurance card and insurance information, including referral
- Worker's compensation for accident/injury related visits - please bring your attorney's name, address, phone and case number

### Other helpful items to make your visit more enjoyable:

- Books to read while waiting
- Snacks/Formula
- Diapers or a change of baby clothes

### Before you leave your child's appointment:

- Request all school notes/forms that need to be completed
- Request all prescriptions for medications, equipment, physical therapy, occupational therapy
- Request any copies of x-rays/films from radiology you wish to obtain for your records
